

OUR TOWN

INSERT RATES

Our Town reaches more than 21,000 mailboxes and businesses in the East Valley. Our marriage mail program can put your preprint into the hands of new and returning customers. Our North zone covers more than 10,000 households and businesses in Silverton, Mt. Angel and Scotts Mills twice a month. Our South zone covers 11,000 addresses and businesses in Stayton, Sublimity, Aumsville, Lyons and Mehama every month. Select both zones, one, or choose the individual zip code that works for you!

TYPE AND SIZE OF INSERT (RATES PER THOUSAND)	ONE TIME	3X	6X	12X

*Deliver preprints to: Oregon Lithoprint
1315 NE Miller, McMinnville, OR 97128*

Tabs must be delivered quarterfolded. Maximum finished size (after folding) 8 inches by 11 3/8 inches. Any insert not described by the rates above must be weighed in advance of a rate being quoted. Anything described as above but over the weight range will be subject to a surcharge. For other configurations, pricing is subject to weight. Full zip codes only. There is some waste associated with all inserting processes; please see that we receive 3% above quoted quantities. Oversized items will be folded and service billed to customer.
